PUPPY SALE WARRANTY

PLEASE DOWNLOAD PUPPY CARE BOOKLET FROM WEBSITE

This is to certify that I have sold the below-described puppy selected by the purchaser as being in good health and condition.

Cavalier King Charles Spaniel Sex:..... DOB:.....

Colour:..... Vaccinated/Vet-checked:.....

Microchip Number: (place sticker here)

Purchaser:.....

It is warranted to the purchaser so long as they retain control, care and custody of the puppy that if, **within 72 hours of purchase date**, this puppy:

- 1 is found to be affected by a life threatening illness or
- 2 is found to have a physical genetic defect

as diagnosed by a registered veterinarian, which will permanently affect the health of the puppy, then the breeder undertakes, **at the breeder's option**, either:

- 1 to correct the problem
- 2 to refund the purchase price or
- 3 to replace the puppy with one of like breed, age and sex

provided that the puppy is returned to the custody of the breeder **within 24 hours of the diagnosis being made** and all prescribed veterinary treatment is provided by the purchaser at the sole expense of the purchaser until the puppy is returned to the custody of the breeder.

Note that *the breeder **will not accept responsibility** for any problems occurring outside the time period stated and it is **strongly advised** that the purchaser seek a veterinary examination, at their own expense, within this time period to assure themselves that the puppy is in good health for the purposes of this warranty.*

****Providing puppy is in good health and condition, a full refund is offered, no questions asked, within 2 weeks of purchase.****
